

# YMCA Family Camp Nawakwa

## Pontoon Boat and Outboard Motor Rentals

Camp Nawakwa offers rental of a pontoon boat with 40 hp motor and the availability of three 9.9 hp four stroke outboard motors. Please call the office at 715.588.7422 to reserve the pontoon boat or a motor. **Summer weekly rental reservations accepted on a first come basis through May 15th. Daily rental reservations begin May 16th. Fall & Spring reservations accepted anytime.**

### Pontoon Boat

The pontoon boat length is 20 feet and holds approximately 12-14 people and has a four stroke 40 horsepower engine. It has a canopy to protect you from the sun and rain. The boat will be parked at your cabin prior to arrival.

### Outboard Motors

Outboard motors will be attached to a 14 ft row boat, and placed at your cabin upon arrival. Motors are a 9.9 hp four stroke which means there is no oil/gas mixture. Camp will see that the motors are filled with oil and it's your responsibility to keep the gas full. The motors are also electric start and camp will provide a battery and battery cover. Best part about renting the motor at Nawakwa is that you don't have to haul the motor in and out of your car and carry it down to the boat.

**Pontoon Boat Rental Fees**

2 days	3 days	4 days	5 days	6 days	7 days
